

# Net4Society Research Directory

The Net4Society Research Directory is an English language online directory of actively involved researchers and key players in the Social Sciences and Humanities (SSH) and Societal Challenge 6. A tool for finding potential collaborators abroad, particularly for building consortia that plan to apply for funding under the SC6 Calls for Proposals.

## REGISTER NOW!

Promote your work and your collaboration needs through a profile in the Net4Society Research Directory.

Your submitted profile will be reviewed for completeness and, if the mandatory sections have been adequately filled, it will be shown in the database. Required sections include:

- An indication of your fields of activity
- Some details about your expertise, competences and/or technologies
- The topics of the current calls for proposals that may interest you
- A mention of collaborative projects that you have participated in

If you are a researcher or some other key player actively involved in SSH and/or Societal Challenge 6 research and interested in international cooperation, register yourself and help raise awareness of your collaboration potential. Researchers and other key players from all types of institutions are welcome - large and small, universities and private companies.

## Search the database

Identify researchers who work in the area of Social Sciences and Humanities and/or Societal Challenge 6, either within the context of EU funded research or broader collaborative research and find international partners with the complementary expertise, profile or technology that you are looking for.

## Net4Society

Net4society is the network of National Contact Points (NCPs) for Societal Challenge 6 (SC6) and for the Social Sciences and Humanities (SSH) in the EU's Framework Programme for research and innovation – Horizon 2020. The SSH NCPs' main task is to facilitate the participation of their R&I communities in the relevant funding opportunities of Horizon 2020.
